Sir

With reference to your docket Camp No 117 of the 9th instant, I have the honour to inform you that Chellamma, assistant mistress of the Maharanis' Girls' school Mysore was originally appointed to teach cookery - This subject she never taught and her services were utilised as a Chaperon in the higher classes She knows Kanarese and Telugu well and some Sanskrit, but she has not passed the Lower Secondary or Upper Secondary Examination - I believe however that she will be able to exercise general control and supervision

over a Girls' School besides being able to teach Kanarese. She can also teach fancy work and needlework. Under these circumstances I recommend that she may be appointed Headmistress of the Government Girls' School at Chikmagalur without displacing any of the teachers now employed in the school. The people of Chikmagalur are desirous that their Girls' School should have a native lady as Headmistress - Her present pay is Rs 40 a month but as Chikmagalur is a malnad station far away from her home in Mysore she will be thankful if Government are pleased to increase her pay to Rs 50

I have the honour to be,

Sir,
